# Accelerate your operation with a 3M™ Direct Fulfillment System.

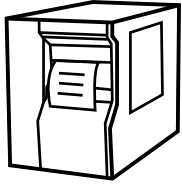

Utilize 3M solutions to implement a direct registration fulfillment system to deliver license plates and registration forms directly to motorists, create less foot traffic in branch offices and reduce inventory of plates, stickers and forms.

The system can be customized to meet your needs—a complete direct fulfillment model, or a hybrid model using a combination of direct fulfillment and branch office fulfillment.

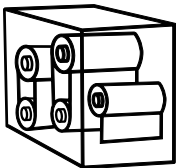

# The power of direct fulfillment.

Your Direct Fulfillment System utilizes a suite of 3M products and services to help you drive customer satisfaction and operational efficiency.
